Conclusions

Focus Groups

The Steering Committee identified a number of issues that can be categorized into the following topics. These topics may be the subject of interest for the proposed multi-stakeholder workshops.

- Mobile/Manufactured/Modular homes
- Shipping containers/sea cans
- Accessory structures/buildings
- Subdivision of land
- Gravel pits/extraction
- Regulations that encourage economic development
- Enforcement
- Water/wetland impacts and regulations
- Campgrounds
- Undeveloped land
- Side yards and setbacks

The project team will be reviewing input received from the Steering Committee and the public survey prior to identifying the specific topics for each focus group.
